

Choose your style

by Resound

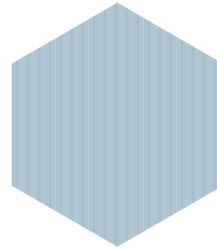

Every **Interior**, **Solid** and **Divide** panel is finished in our signature **recycled-denim textile** — a tactile, woven cover that gives discarded fabric a second life. It comes in six standard colours, shown below. Swatch tones are indicative; because we work with recycled textiles, slight variation is natural.

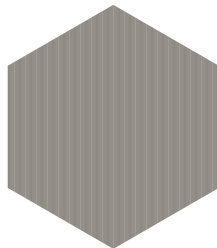

DENIM

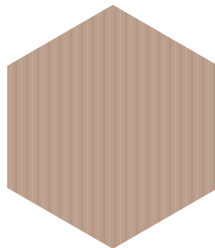

MINT

SKY

SILVER

TAUPE

ANTHRACITE

Don't see your colour?

We carry many additional textile options beyond the six standards. Tell us what you have in mind and we'll see what's possible — info@re-sound.be. Bespoke textiles are available on request.
